

ROUNDTABLES

▶ **Capacity Europe East 2018** will see a series of 1-2-1 Networking segments which offer a dedicated bilateral meeting forum for all registered delegates. Each 1-2-1 networking segment consists of exclusively selected representatives who will host their own bilateral meeting looking to advance their companies partnerships with regional and international attendees.

Throughout **Capacity Europe East 2018** there will be a number of roundtables that will address advancing trends within the regional and international carrier market. If you're interested in joining a roundtable or participating in the 1-2-1 networking segment or simply want to hear more about both opportunities please email frances.booth@capacitymedia.com
